About Gateway Village Children's Center (GVCC)

Vision

Our vision at Gateway Village is to create a nurturing, hands-on learning environment which expresses our foundational belief that life happens and develops best through authentic Christian community, which is consistent with Gateway Community Church's vision statement. We adhere to GCC's governing documents, mission, vision, and Christian statement of faith. At Gateway Village, we strive to craft and hone a program designed to facilitate play-based learning that will inspire a love of learning while promoting the child's social, emotional, physical, spiritual, academic, and creative growth. Believing that children flourish in an atmosphere of safety, acceptance, and love, we provide positive guidance with genuine care and concern for each child. We view each child as an infinitely precious creation of God, and we are committed to maintaining a developmentally appropriate atmosphere of kindness, support and respect.

Organization

Gateway Village Children's Center is a not-for-profit ministry of Gateway Community Church. Parents should be aware that GVCC is a religiously based learning center and as such is exempt from state licensing. We file information with the Department of Social Services and are held accountable to Virginia's Religiously Exempt Childcare Center Statutes. Standards include but are not limited to health precautions, equipment safety, criminal record checks, and record keeping. While we are exempt, we seek to meet and exceed all applicable state standards. Our requirements for staff qualifications, teacher/student ratios, etc. are available upon request.

GVCC is governed by the GVCC Board of Directors, and the day-to-day affairs are run by the Preschool Director and the GVCC Chancellor.

Our Beliefs Statement

Gateway Village Children's Center is a ministry of Gateway Community Church and embraces the same religious beliefs as the church. See Appendix A.

General Information and Procedures

Enrollment

The 2022-2023 Preschool and Pre-Kindergarten term runs from September 6, 2022, through June 6, 2023. GVCC will not issue refunds for inclement weather days or absences or school closures due to circumstances beyond the control of GVCC, including pandemic illnesses.

We will be running the Preschool Program for ages 3 – 5 only. Preschool students must be at least 3 years old, Prekindergarten students must be at least 4 years old and Junior K students must be at least 5 years old by September 30th of the year of enrollment. Enrollment in the program shall be open to children of any race, religion, nationality, or ethnicity, provided the school can appropriately meet the needs of the child.

GVCC reserves the right to request the withdrawal of any student who has significant challenges adjusting to school, any student with educational or medical needs for which the school is not equipped or does not have the expertise to manage, or a student whose family is not meeting their financial obligations to the school on a timely basis.

Student Withdrawal Policy

For withdrawals for the school year prior to the first day of school: Because financial decisions (such as the number of classes, teachers, and expenses for curriculum) are made before the start of school based on enrollment, parents should be aware that **the registration fee of \$150.00 is not refundable under any circumstances.**

For withdrawals during the school year: Parents agree to complete and email the GVCC Change of Schedule Form to the School Director at least 30 days before the student's last day. Tuition fees will continue to apply during the child's last 30 days of attendance (full tuition up to the withdrawal date plus the remaining tuition for the month in which the student withdraws). There will be no partial or pro-rated refunds issued for withdrawals. Records or transcripts cannot be forwarded to the students' new school until all fees are paid. Likewise, there will be no pro-rated tuitions for students who enroll mid-year. See the Appendix C: 2022/2023 Tuition and Fee Schedule for details on the amount due for the first month for partial year enrollments.

The completed GVCC Change of Schedule Form (available on the GVCC website) must be completed and emailed to the School Director at least thirty (30) days in advance of the student's last day. In the case of extended absences, the family will not be able to "hold" their place in the program **unless they continue paying required tuition installment payments** throughout the extended absence. If they decide to give up their place in the program due to an extended absence, the family must understand they will need to re-enroll upon return and pay a non-refundable registration fee of \$150.00. The family also needs to understand that there may not be space available upon their return.

Payment Policy

Listed below are details regarding fees and tuition payments:

REGISTRATION FEE: A registration fee of \$150.00 is charged at the time of enrollment and is not refundable under any circumstances.

ANNUAL ACTIVITY FEE: An annual activity fee of \$50.00 may be charged at the time of enrollment (regardless of when your child enrolls) and must be paid in full prior to your child's first day of attendance.

FIRST TUITION PAYMENT: The first tuition payment is due on July 1, 2022. If you register after July 1, 2022, the first month's tuition will be due within 5 calendar days of registration or before the first day of your child's attendance (whichever comes first). Failure to pay the first tuition payment by the due date will result in the cancellation of your child(ren)'s registration and withdrawal from GVCC for the 2022/2023 school term. Once paid, tuition payments will not be prorated or refunded for any circumstances.

Registration Date	First Payment Due Date
March 15, 2022 –July 1, 2022	July 1, 2022
July 2, 2022 – September 6, 2022	Within 10 calendar days of registration or before 1 st day of attendance (whichever comes first).

If you do not submit your payment by the 1st business day of each month, a \$10.00 late fee will be assessed each day until the amount due is paid in full. If your monthly payment is unpaid by the 10th of the month, your child will be unenrolled from the school.

Curriculum

Our curriculum is based on learning through play and is designed to be developmentally appropriate, mentally challenging, spiritually supportive, and differentiated (as much as possible) for each individual child. We want to help your child develop academically, socially, mentally, physically, and spiritually. This whole-child approach is reflected in our programs of study, which are designed to support or exceed standards set by the Virginia Department of Education. Student progress will be monitored through informal and formal assessment, anecdotal records, and observation. Parent-teacher conferences for Preschool and Prekindergarten students are held in the spring. If you would like a progress update between conferences, please communicate with your child’s teacher, giving them preparation time.

Students at Gateway Village Children’s Center will take part in prayer during morning message before snack times and during daily Bible lessons and Worship Time. Kid’s Worship is offered weekly, consisting of a Bible story lesson, activities to illustrate the story, and songs of worship designed for young children.

Health and Medical Policies

Illness Policy

Gateway Village Children's Center strives to provide a healthy environment. We make every effort to include rather than exclude students from our school environment. However, if your child has contracted a communicable illness, such as strep throat, chicken pox, flu, head lice, etc., please inform the school **immediately**. The following are guidelines that would exclude children from school:

- Fever at or above 100
- Undiagnosed rash or discharge
- Recurring vomiting or diarrhea
- Any other signs of a communicable illness
- Symptoms and signs of possible severe illness (lethargy, uncontrolled coughing, persistent crying, difficulty breathing, wheezing, etc.)

Please keep in mind that children should not be given fever-reducers such as Tylenol just prior to attending Gateway Village. The medicine will wear off and if a child is truly sick, they will lapse quickly. If your child becomes ill at school, you will be notified to pick up your child **immediately**. Due to the current pandemic, extra precautionary measures will be taken to protect your child, other students, and staff. If your child has a low-grade/high temperature or an incident of vomiting, diarrhea or is not feeling well, we will give you a call and send you an email to please pick-up **immediately or within an hour**. Students must be symptom-free for 48 hours without medication before returning to school. If a child is showing any sign of a communicable illness, they will not be allowed to return to school until a physician has treated the symptoms and issued a notice permitting return to school. We will require a note from the doctor certifying that your child is fit to be back in school.

Please inform the center within 24 hours or the next business day after your child (or any member of the immediate household) has developed any reportable communicable disease, as defined by the State Board of Health, **except for serious or life-threatening diseases** which must be **reported immediately**.

GVCC families are encouraged to work in collaboration with the school to help mitigate the spread of diseases including informing your child's teacher of travel plans out of State/Country and to be mindful of and follow recommendations from the Centers for Disease Control (CDC).

Medication Policy

Students are encouraged to take medication at home rather than during school hours whenever possible. We recognize this is not always feasible, however, and GVCC will administer medications as needed. Parents must complete the Parent's Request for Administration of Medication form for ANY medicine to be administered during school hours.

All prescription medications require a doctor's signature or a written prescription containing a doctor's signature attached to the medical form. Medicine must be brought to the school office by the parent (not the student) in its pharmacy-labeled bottle and contain the indicated quantity of medication. Any change

in the time or dosage of a prescription medication must be verified by the physician in writing. Additionally, our staff is required by law to administer medication according to the instructions on the label.

If a student is prescribed an Epi-pen or inhaler the school strongly recommends the parent provide the medication to the school.

Non-prescription medication requires the parent's signature only. Medicine must be brought to the school office by the parent (not the student) in its original, sealed bottle/box containing the dosage information. Please label the bottle/box with your child's name. Additionally, our staff is required by law to administer medication according to the instructions on the label.

Parents are requested to list all medication prescribed for their child(ren) on the Medical Authorization Form completed at the beginning of each school year including medication taken regularly at home.

All topical medications, including sunscreen, bug sprays, etc., should be applied prior to coming to school.

Immunizations

Parents are advised that their child's school records, by law, must include documentation verifying their child is current on all required immunizations before the first day of every school year. Any immunization update documentation must be provided for the student's file.

Allergies

All allergies must be reported clearly as part of the online registration process. Please be aware that because some students have severe allergies, we are a **nut-free** environment.

If a child has an allergy severe enough to require an EpiPen and/or Benadryl, parents must provide all necessary medications and fill out a Medication Authorization Form and an Emergency Care Plan/Allergy Action Plan (these forms are available on the GVCC website). If your child develops a new allergy, please notify us so the child's records can be updated appropriately.

Lunch & Snack

Please note the following:

- Students are required to bring their own packed **nut free** snack and lunch.
- Please make sure nothing in your child’s lunch needs to be microwaved or refrigerated.
- All snacks and lunches will be checked to ensure that they are completely nut free (**no traces of nuts or processed in a facility that processes nuts**).

Daily Life at GVCC

Arrival, Dismissal, and Late Policy

Safety of our students and staff is of the utmost priority. As one of our best health and safety practices during the pandemic, drop-off and pickup will be done via Kiss and Ride only to limit access into the building. Our Kiss and Ride procedures have all the information on arrival and dismissal, and this will be made available to you.

Arrival : 8:50 am – 9:10 am

Dismissal: 12:50 pm – 1:15 pm

We strongly encourage our parents to come within the time allotted for Kiss and Ride. However, if you are running late, please contact the school’s main office at 703-327-0707. Parents are expected to pick up their child/children on time. In the event a parent is late at arrival or dismissal time, the school will charge a late fee of \$1.00 for every minute past the scheduled time for your child to be dropped off or picked up.

A child will only be released to individuals listed as, “authorized to pick up” unless the parent submits documented permission ahead of time. However, we still need to be notified (via email) ahead of time even for those authorized to pick up.

Saying “Goodbye”

Especially in the first few weeks of school, it can be difficult for preschool children to separate from a parent, and at times the parent experiences a similar sense of separation anxiety. Rest assured, your child will adjust to the new environment and will quickly learn to love school, but there may be an adjustment period. Here are some tips to help your child start their day with a smile!

Before the first day of school, talk to your child about how much fun school will be. Build anticipation. When the day comes, do not prolong the drop-off, but reassure and calmly let your child know you are leaving for a little while so they can have fun playing at school, but you will be back shortly. Develop a good-bye routine: a secret handshake, a loving phrase, etc. Always stay positive and encouraging even when faced with their distress. If you seem comfortable with the separation it will be noticed and appreciated by your child even if it does not appear to be so. Our staff is on your side, and we want to help this transition be as smooth as can be, so enlist our help whenever you feel the need.

Developmental Concerns

Our staff strives to stay current on the many facets of early childhood development. Based on this knowledge, if a teacher has a concern regarding a child’s behavior, the teacher will notify the Director

who will then communicate with the child's parents. When deemed necessary, the Director and/or teacher will pass on appropriate referrals that may include outside services. The staff will cooperate with an outside service professional who would like to confer about a specific child with parental permission provided in writing. Outside professionals may be accommodated during the school day only with the parents' and the school's approval.

Discipline Policies

It is our philosophy that children learn through modeling, redirection, and positive reinforcement. Children will be guided through structured activities and free play and will be encouraged to demonstrate kind and respectful behaviors. Additional strategies used by staff members include:

- Providing clear expectations
- Giving directions in the affirmative
- Giving children a sense of ownership and responsibility
- Creating an organized classroom environment

Gateway Village Children's Center does not employ time outs or any form of punishment that involves withholding, corporal punishment, or demeaning language. Children respond positively to different forms of discipline. GVCC strives to work individually with each child according to his or her needs. Forms of discipline may include, but are not necessarily limited to, discussion of the problem with the child, positive reinforcement, instruction, setting clear expectations and discussing consequences of misbehavior, or redirection. In the case of disruptive behavior, teachers and parents may work together to construct an appropriate behavior plan. We ask that parents reinforce classroom rules and expectations at home. We make every effort to work with children as they learn how to successfully navigate the school environment.

Because Gateway Village Children's Center is a group setting, children who consistently demonstrate aggressive behavior, or any other circumstance that requires intensive supervision by staff for extended periods of time, may be dismissed. Gateway Village Children's Center reserves the right at any time to dismiss any student when the health and/or safety of a student or staff member is at risk.

Dress

Children should be dressed comfortably for school each day. To fully engage in our activities, play/comfortable clothes are encouraged. We strongly recommend tennis shoes or sneakers for outdoor play. Please bring appropriate outerwear, particularly during the winter months. Preschool parents are encouraged to bring in an extra set of clothes in a plastic bag labeled with the child's first and last name. Soiled clothes will be bagged and sent home; please make sure to replace clothes the next day. It is strongly encouraged that parents label any extra clothing. Please refrain from long necklaces or drawstrings as they could be a hazard.

Child Security Policies

Confidentiality

Gateway Village Children's Center strives to protect the privacy right of children, their families, and our staff members. We will maintain the confidentiality of verbal information and written records. We reveal the identity of children and their families only in absolute necessity. The privacy of our staff is also protected.

Child Protection Policy

We have adopted Gateway Church's child protection policy as applicable to our childcare school and format, which is available upon request.

Reporting Suspected Child Abuse

State law requires all childcare workers to be mandated reporters and to report all suspected cases of child abuse and neglect directly to Child Protective Services. In the event a report is filed, Gateway Village Children's Center is unable to provide information. Further inquiries must be made to Child Protective Services.

Custody of Child

Upon enrollment, parents are to provide three individuals that can serve as emergency contacts. If any of this information changes, please see the front desk to update paperwork. If there is a marital separation or divorce, it is the custodial parent's responsibility to provide specific instructions on drop off, pick up and custody of child, including providing the signed separation agreement and/or court order.

Safety/Emergency Drills

At Gateway Village Children's Center, your child's safety is our utmost priority. Our entrance is always locked with a keyless entry system. All visitors, including parent volunteers, must check in at the front desk and present a valid I.D. upon entry. Our students also take part in monthly fire drills and shelter-in-place drills to help ensure smooth procedures in case of an emergency. In the case of a school-wide emergency, families will be notified via email and/or a phone call from GVCC.

Conflict Resolution

GVCC endeavors to foster healthy relationships amongst its staff, parents, and the children utilizing the Center. However, we recognize that disagreement and conflict can arise even between the best of friends. The way we handle that conflict is key. GVCC seeks to operate by the *Matthew 18* principle. When conflict arises, the offended party should seek to resolve the situation by first meeting with the offender. The Gateway Community Church Board of Elders are the final mediation authority if a conflict remains unresolved after initial attempts at resolution.

1. Parents-Teacher

- a. Any dispute or grievance must first be presented to the teacher by the parent at a scheduled meeting time. We request that parents do not address grievances during drop-off or pick-up times as this diverts the teacher's attention from the classroom.
- b. We expect that most disagreements and conflicts will be able to be resolved at this level.
- c. If a resolution is not reached, the parents may bring the matter before the Director.

2. Parents-Director

- a. If a parent has a grievance regarding the general operation of GVCC (apart from the operation of a classroom), he/she should bring those concerns to the Director.
- b. The Director will meet with all necessary parties and provide a written response within seven (7) days of the meeting. The Director will provide the Board of Elders a copy of the response.
- c. If a resolution cannot be reached, the parents may appeal in writing to the Board of Elders.

3. Parents-Board of Elders

- a. The Board will review the written request of the parents and determine whether a meeting would be helpful to resolve the matter. If approved, the meeting will be held within thirty (30) days of the request. This special called meeting will be limited to the topic(s) of the grievance.
- b. If the Board determines the grievance does not merit a meeting, the Board will notify the parents in writing and its decision will be considered the final decision of the Board.
- c. The Board will provide a written response to the parents within fourteen (14) days of the meeting date. This will be considered the final decision on the matter. A copy of the Board's response will be provided to the Director and any other necessary parties.
- d. If the grievance remains unresolved, the parties agree to submit the grievance to biblically-based arbitration.

As noted in the Contract, any civil dispute between parents and GVCC shall be resolved through the above grievance procedure, and, if necessary, legally binding Christian Arbitration, under the *Rules and Procedures for Christian Conciliation* (a copy of the Rules are published at www.ICCPeace.com).

Appendix A

Beliefs Statement for Gateway Community Church & Gateway Village Children's Center

ABOUT GOD

God is the personal Creator and Ruler of everything. He has eternally existed in perfect community - Father, Son, and Holy Spirit. These three are co-equal and are one God. He is holy, all-powerful, all-knowing, unchanging, and full of mercy and grace. *Genesis 1:1, 26, 27; 3:22; Psalm 90:2; Matthew 28:19; 1 Peter 1:2 and 2 Corinthians 13:14.*

ABOUT JESUS CHRIST

Jesus Christ, God's Son, became fully human when he was born of the Virgin Mary. He was fully human and fully God. He lived a perfect life in place of our imperfect lives; died, as our substitute, the death we deserved to die because of our self-centeredness; and physically rose from the dead. He offers us full life by the promise of his own resurrection. He then ascended into heaven and today is our representative, intercessor, and advocate with God the Father. *Matthew 1:22, 23; Isaiah 9:6; John 1:1-5, 14:10-30; Hebrews 4:14, 15; 1 Corinthians 15:3, 4; Romans 1:3, 4; Acts 1:9-11; 1 Timothy 6:14, 15 and Titus 2:13.*

ABOUT THE HOLY SPIRIT

The Holy Spirit is co-equal with the Father and the Son of God. We experience the full life and presence of God in our relationship with God the Spirit. He is present in the world to make men and women aware of their need for Jesus Christ. He also lives in every Christian from the moment of salvation. He provides the Christian with power for living, understanding of spiritual truth, and guidance in doing what is right. He gives every believer a spiritual gift(s). As Christians we seek to live under His control daily. *II Corinthians 3:17; John 16:7-13, 14:16, 17; Acts 1:8; I Corinthians 2:12, 3:16; Ephesians 1:13; Galatians 5:25 and Ephesians 5:18.*

ABOUT THE BIBLE

The Bible (66 books of the Old and New Testament) is God's completely true story about who He is, what He has done, what He is doing, and what He will do. It was written by human authors under the supernatural guidance of the Holy Spirit. It is the supreme source of truth for Christian beliefs and living. It is our primary and final source of authority. *2 Timothy 3:16; 2 Peter 1:20, 21; 2 Timothy 1:13; Psalm 119:105, 160, 12:6 and Proverbs 30:5.*

ABOUT HUMAN BEINGS

People are made in the spiritual image of God to be like Him in character and to be in relationship with Him and with one another. People are the pinnacle of God's creative activity and the object of His affection. Although every person has tremendous potential for good, all of us are marred by an attitude of disobedience toward God called "sin." This attitude separates people from God and causes many problems in life. *Genesis 1:27; Psalm 8:3-6; Isaiah 53:6a; Romans 3:23 and Isaiah 59:1-2.*

ABOUT REAL LIFE

We are connected to God in only one way – by choosing to accept the offer of forgiveness and reconciliation God offers to us by Christ’s life and resurrection. If we ask Him to, God treats us as if we were Christ, because He treated Christ as if he were us. God’s gift of grace makes us His adopted daughters and sons. There is nothing we can do to deserve this life – it is all a gift of God, and our job is to simply receive it. When we do, God begins the process of changing our hearts and minds from the inside out and making our characters more and more like Jesus. He will continue this process in us until He completes it in heaven.

Because of our relationship with God, we will want our lives to please Him. He will show us how to make this happen. We will also hope for unburdened relationships with all those around us. As we become more and more like Him, this becomes possible in our lives. *Romans 6:23; Ephesians 2:8,9; John 14:6, 1:12; Titus 3:5; Galatians 3:26, Romans 5: 6-11; John 10:29; 2 Timothy 1:12; Hebrews 7:25, 10:10, 14 and 1 Peter 1:3-5.*

ABOUT ETERNITY

People were created to exist forever. We will either exist eternally separated from God by sin, or eternally with God through forgiveness and salvation. To be eternally separated from God is Hell. To be eternally in union with Him is eternal life. Heaven and Hell are real places of eternal existence.

In His own time and in His own way, God will bring the world, as we know it to an end. According to His promise, Christ will return personally and visibly to judge the living and the dead and to begin the new era of God’s universally visible reign that will last forever. *John 3:16; John 14:17; Romans 6:23; Romans 8:17-18; Revelation 20:15 and 1 Corinthians 2:7-9.*
